

ALLEY DOCK

2 Free GOALs
2 Free Pull-ups

1

Start position. Pull forward and center your vehicle between the front of the Alley and the forward boundary cones.

(Front of Alley)

(Forward boundary cones)

Alley

2

Your destination (alley) is on your left. Steer right to force the trailer to move left. Steer **HARD RIGHT**.

Back up until you see 1 foot of landing gear in your left mirror. **STOP**.

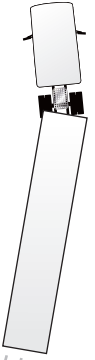

Alley

3

Steer back to center and begin backing. The trailer will start to build angle.

Do not steer.

EARLY

Alley

LATE

4

While backing, decide whether the trailer is **EARLY** or **LATE** by sticking your head out of the window.

If the trailer is **LATE**, speed it up by steering **RIGHT**.

Right is FAST.

If the trailer is **EARLY**, slow it down by steering **LEFT**.

Left is SLOW.

EARLY

Alley

LATE

5

LATE is better than EARLY.

When the trailer is **LATE**, steer **RIGHT** to speed the trailer toward the box.

An **EARLY** trailer will have to be jackknifed to put it in the alley.

A **LATE** trailer can be sped up toward the alley by steering to the right.

Don't hold your turns too long, steer back to center.

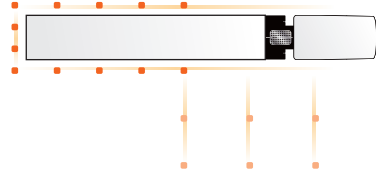

Alley

LATE

6

When finished, the rear of your vehicle must be within 3 feet of the rear of the alley. The vehicle must also finish straight.
